# About Company

Welcome to **Shree Ram Industries !**  
Established in 1995 in Vadodara, Gujarat, India, we offer a diverse range of high-quality products with a futuristic vision. Our integrated manufacturing facility ensures efficient production processes. Holding ISO certifications, we maintain stringent quality standards.

Our dedication to excellence is evident in our advanced infrastructure and state-of-the-art machinery. We express gratitude to our customers and team for their vital contributions to our success.

Our journey has been exhilarating, marked by consistent growth and a commitment to delivering top-quality products and excellent service. Beginning as a family-owned business specializing in ferrous and non ferrous components, we have grown and diversified to meet evolving customer needs.

Looking ahead optimistically, we aim for sustained prosperity and success in the future. Join us on this journey towards excellence and innovation at Shree Ram Industries.

## Our Specialisation

We specialise in engineering products and maintain international standards through stringent quality checks. Our dedicated team ensures flawless products delivered within the specified timeframe. Continuous innovation, comprehensive solutions, and customer-centric approach have consolidated our reputation as a competitive world-wide partner.

# Our Founders

Founded in 1995 by Late Parsottam Bhai Patel, Shree Ram Industries started as a small parts manufacturer. Through a relentless pursuit of innovation and technology, the company rapidly expanded, introducing high-tech machinery, and significantly increasing production output by the mid-2010s. With a strong emphasis on efficiency and meeting customer needs, Shree Ram Industries is dedicated to providing exceptional products and support, ensuring customer satisfaction at every touchpoint.

The company's continued success can be attributed to the exemplary leadership of Mr. Hasmukh Bhai Patel, Mr. Ashok Bhai Patel, and Mr. Savan Patel. By prioritizing customer satisfaction, manufacturing excellence, and timely delivery, Shree Ram Industries has built a sterling reputation for quality on a global scale.

# Our Mission & Vision

Our mission is a world-class precision machine shop, delivering exceptional quality products with a flexible delivery schedule. We value our customer and employee relationships, responding to their changing needs with honesty and integrity.

Guided by the belief that simplicity and collaboration drive growth, we aim for excellence and innovation through committed teamwork. Our vision is to delight our clients, reaching new heights while maintaining the highest standards.

Our Vision is a At Shree Ram Industries, our journey is likened to a small seed growing into a fruitful tree, benefiting future generations. Quality, customer trust, and innovation are at the core of everything we do.

# Our Work

Manufacturer of Precision machined Components. Large Capacity of CNC Machining, VMC machining Turning, Drilling, Tapping, Shaping, Planning, Boring, Grinding, Cutting On Job Work Basis or With Materials. Machining Job work with all kind of Raw Materials like, Brass, Aluminum, Teflon, Copper, MS, Steel, Casting

## Cleaning Process:

- Cleaning (Vibro & Drum, Ultrasonic)

## Surface Finishing Process:

- Grinding (OD & Face)

## Surface Treatment:

- Plating (Zinc, Nickle, Tin)
- Blackening- Black Oxide
- Anodizing
- Chrome Plating
- Powder Coating
- Galvanizing
- Phosphating

## Machining Process:

- Circular & Hacksaw & Bench Saw Cutting
- Automatic Traub Machining
- Lathe Turning
- Drilling & Threading
- CNC Turning
- VMC Milling
- Straightening
- Slotting
- Shaping
- Laser Marking

# Our Raw Materials

Various type of Material grades according to ASTM, AISI, DIN, EN, GOST, JIS and other international standards.

- **Stainless Steel:**
- **Low & Medium Carbon Steel & Alloy Steel (Mild Steel)**
- **Aluminium**
- **Brass**
- **Copper Alloys**
- **LDPE**
- **Other:**

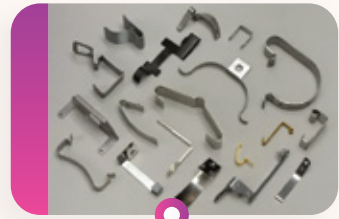

Cast Nylon (PA6, PA66) , Plastics (PP, PVC), Rubber (EPDM), Delrin , Bronze, Nickel, Lead

# Our Products

**Motor Components.**

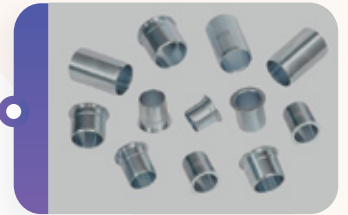

**Sheet Metal Components.**

**Engineering Components.**

**Aluminium Components.**

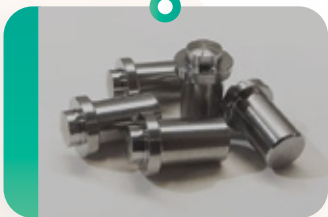

**Mild steel Components**

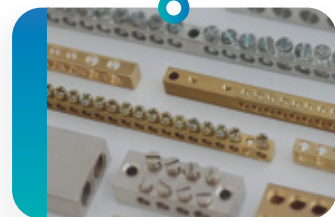

**Copper Components.**

**Precision Stainless Steel Components.**

**Precision Brass Components.**

# Our Services

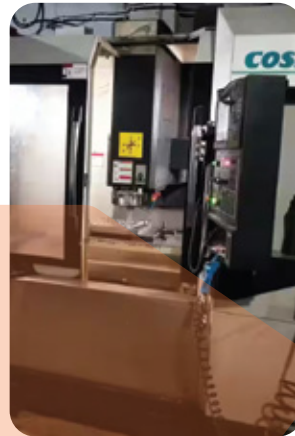

# Our Machines

## Turning Center (CNC)

**Machine Size**  
04mm-0550 mm,  
800mm-2000mm

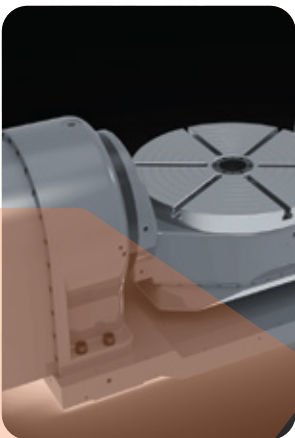

**quantity**  
11 Machine

## Vertical Machining (VMC)

**Machine Size**  
X850, Y450, Z500  
X1020, Y610, Z620

**quantity**  
05 Machine

## CNC Rotary Table

**Machine Size**  
URX-250

**quantity**  
04 Machine

## Hydraulic Press Machine

**Machine Size**  
50 TON & 200 TON

**quantity**  
02 Machine

## Surface Grinder

**Machine Size**  
1500 X 600 mm

**quantity**  
01Machine

## Lath Machine

**Machine Size**  
4.5 FEET - 18.00 FEET

**quantity**  
06 Machine

### Milling Machine

Machine Size  
850\*650 TRAVEL

quantity  
01 Machine

### Traub Machine

Machine Size  
PMT make

quantity  
05 Machine

### Drill & Tapping

Machine Size  
0.5 & 1 INCH

quantity  
08 Machine

### Bandsaw machine

Machine Size  
06 INCH

quantity  
03 Machine

### Straghtening Machine

Machine Size  
--

quantity  
01 Machine

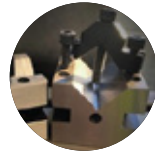

### Laser Marking Machine

Machine Size  
600 mm

quantity  
01 Machine

# Measuring Instruments

**Vernier Calliper**

**Steel Scale**

**V Block**

**Radius Gauge**

**Spirit Level**

**Elco Meter**

**Vernier Height Gauge**

**Vernier Depth Gauge**

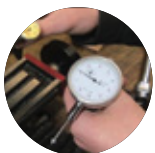

**Ra Meter**

**Digital Vernier Calliper**

**Outside Micrometre**

**Feeler Gauge**

**Digital Height Gauge**

**Torque Wrench (1-100 Nm)**

**Digital Micrometer**

**Depth Micrometer**

**Measuring tape.**

**Inside Micrometer**

**Digital Height Gauge**

**Vernier Bevel Protractor**

**Plunger Dial Gauge**

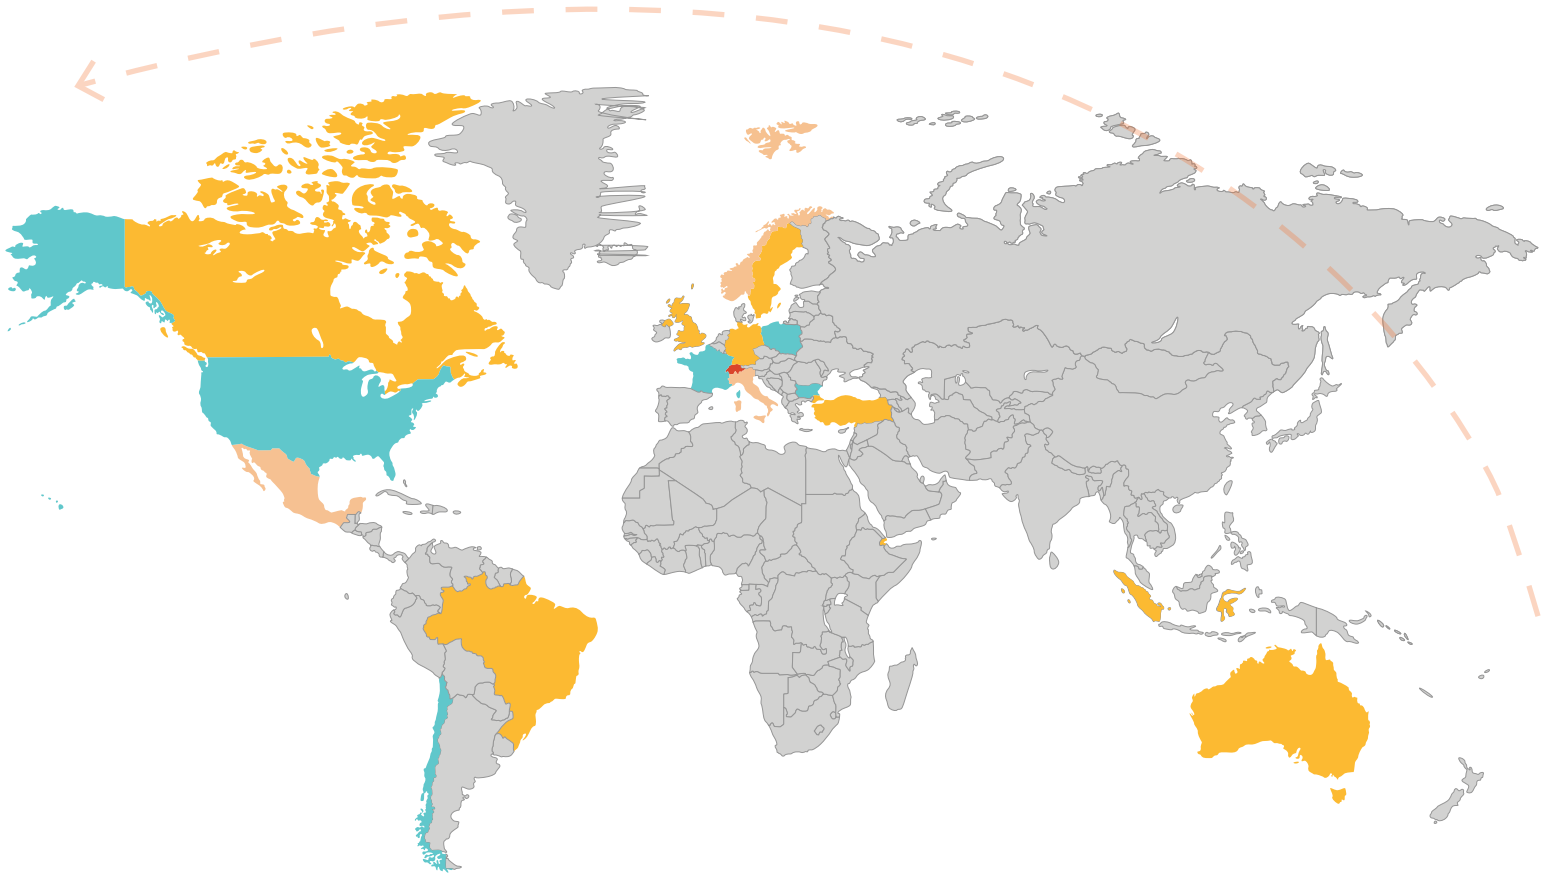

**Engineering Square**

**Bore Dial Gauge**

# Global Export Presence

## ● ASIA

QUATAR, UAE  
SINGAPORE  
INDONESIA  
MALAYSIA

## ● EUROPE

UK
